FULL LODGE BOOKINGS

1. To reserve the whole lodge, the group organizer must enter names and personal email addresses for a minimum of 6 individuals to the booking request form. Groups reserving the whole lodge have until **January 1st** to fill the remaining spaces to meet the 12 guest capacity of the lodge.
2. All spaces must be booked by and registered to individuals. Individuals that are part of the same group may pay together (single invoice), but invoices for individual spaces will only be generated once an individual has completed their registration form and agreed to be bound by the [Sorcerer Lodge Waiver](#). **Spaces cannot be paid-for in advance of an individual being identified and registered to the trip.**
3. Individual trip registrations are subject to the [Sorcerer Lodge Booking Terms and Conditions](#) and cannot be re-sold, transferred, or assigned to other individuals once the registration form has been completed. Each individual who confirms their registration on the trip is subject to the terms and conditions of the price option they select on their personal trip registration form.

SORCERER LODGE – BOOKING TERMS AND CONDITIONS

4. If a full lodge reservation has not filled the 12 spots as of January 1st, Sorcerer Lodge will contact the group organizer and provide two options to fill remaining unsold spaces.
 - a. If the group would like to keep the booking exclusive to their friends and invitees, the group organizer will be asked to agree in writing to cover the listed price of any unsold spaces before the trip start date. This cost can be either divided between participants or invoiced to one person as directed by the group.
 - b. If the group does not want to cover cost of the remaining spaces, Sorcerer will start advertising the spaces and make them available to other individuals outside of the group on a first-come, first-served basis. The group is welcome to continue recruiting during this time, but spaces will no longer be held exclusively for those invited by the group organizer.
5. Overflow capacity up to a total of 15 guests is available exclusively to groups who reserve the whole lodge. Group organizers are under no obligation to recruit or fill the lodge beyond 12 people. Additional guest spaces will be invoiced at the list price for the trip. Overflow guests can be added at any point up to 72 hours before the trip start date.
6. If Sorcerer Lodge receives notice of cancellation from guests who purchased the Installment Option causing the total number of guests registered for the trip to fall below 12, we will attempt to resell these spaces to bring the total number of registrations and paid spaces back to 12. Sorcerer will contact the group organizer to notify that a cancellation has been received and, if time permits, will provide the group organizer with opportunity to recruit a replacement. Pending proximity to the trip start date, Sorcerer Lodge reserves the right to immediately begin advertising any spaces that open due to cancellations.
